2. A maze of tangled grace, the symptoms of 'for real' are
Crumbling from embrace, but still we chase.
The shadows of belief and new religion clouds our
Visions of the roots of our souls.

Are we ashamed of our own fate?
Or play fool for our own sake.
Tell me who's behind the rain.

And your forty foot do.

Additional Lyrics

2. Paranoid delusions, they haunt you.
Where's my friend I used to know?
He's all alone. He's buried deep within.
A carcass searching for a soul.
Can you feel me inside your heart as it's bleeding?
Why can't you believe you can't be loved?

2nd Pre-chorus:
I hear you scream in agony,
And the horse stampedes and rages
In the name of desperation. *(To Chorus)*
